

Setting a Profile Picture in Office 365

You can now associate a picture in Office 365. To do so:

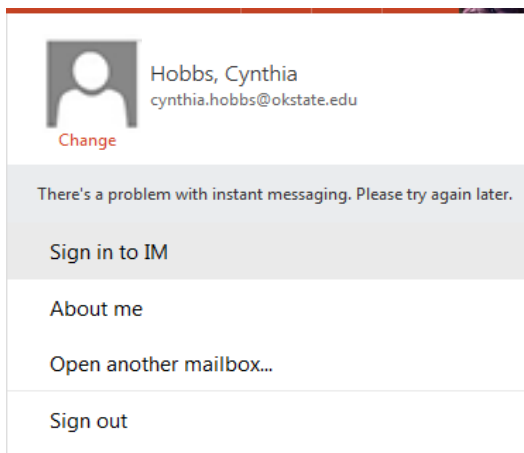

- Login to cowboymail.okstate.edu using your OSU email address and password.

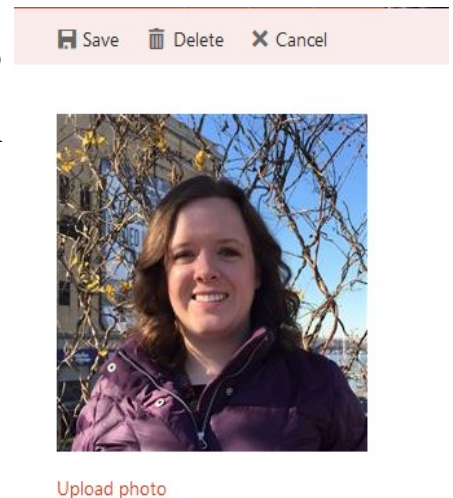

- In the upper right corner, click on grey and white icon

- Click “Change”

- Click “Upload Photo”, Browse to the location your images is saved on your computer and click “Save”.

**Note: It may take a little time for the new image to sync throughout your O365 apps.
