

Murray State College 1 Murray Campus Dr Tishomingo, OK 73460

Program will be held in the Murray Hall Administration Building

Oklahoma State University, U.S. Department of Agriculture, State and Local Governments Cooperating. The Oklahoma Cooperative Extension Service offers its programs to all eligible persons regardless of age, race, color, religion, sex, sexual orientation, genetic information, gender identity, national origin, disability or status as a veteran, and is an equal opportunity employer.

Introduction

This is a 1-day turfgrass and landscape management workshop **at Murray State College**. It is designed to benefit turfgrass and landscape managers in lawn, parks, grounds, athletic field and golf course care. The course emphasizes sound research-based fundamentals in turf and landscape management for Oklahoma. Topics covered include diagnosing tree problems, spray nozzle selection, turf/row weed id, turf-tree-ornamental pest management and manag-ing turf in shade.

This course is a cooperative effort among the county, area and state extension educators of the Oklahoma Cooperative Extension Service of Oklahoma State University. This course is provided as an education opportuni-ty to further professional career development and technical knowledge of attendees.

Targeted Audiences

- Commercial Lawn Care Operators
- Landscape Installers & Managers
- Golf Course Maintenance Personnel
- Parks, Grounds & Recreational Facility Personnel
- School Athletic Turf Managers

The workshop has been awarded 8 ceus in categories 3a and 10 and 2 ceus in categories 5 and 6. Attendees can earn up to 6 ceus in categories 3a and 10 and 3 ceus in categories 5 and 6 by attending the appropriately designated sessions. *To ensure accuracy for meal count, you must pre-register by January 10, 2020.* Johnston County OSU Extension, 580-371-9533
